Dear The Lounge,

I'm an incorrigible cock teaser and the hot weather brings out the worst in me. As I travel into work each day on the Tube I'm the epitome of the city girl in my business suit, except

I never wear any panties. Once in the carriage, I stand in front of some unsuspecting guy reading his newspaper and, accidentally on purpose, hitch up my short skirt to reveal my pouting, shaven pussy, usually still glistening from my wakeup frig or fuck.

I love it when the guy glances up and quite unexpectedly looks straight at my smooth, shimmering cunt.

Watching him get a boner knowing my pussy is within tongue flicking distance from his face makes me horny but not as fucking excited as I get when the guy lays his newspaper over his lap and slides his hand underneath for a surreptitious wank. How I'd love to suck his cock in front of a carriage full of shocked but enviously horny commuters.

As my journey to work is quite long I usually flash at loads of guys each morning. As soon as I get to work I go straight to the bogs for a really hard frig, as I ponder all the spunk spilt over me that morning and dream of picking up a guy on the way home for a night of cock-

sucking and long, hard fucking.

Sonya, Perivale

Dear The Lounge,

My mate recently got married for the second time and asked me to be his witness. They had a lovely ceremony at a local hotel and then the evening reception was held in a marquee in the hotel grounds.

I love it when the guy glances up and looks straight at my smooth shimmering cunt"

The witness for his bride was a rather tasty old friend of hers. As the evening wore on there was plenty of drinking and soon the old inhibitions had gone out of the window. I found myself talking to the other witness and there was definitely chemistry going on. The more we talked, the more I was mesmerised by her lovely tits, which were peeping out of her top.

She noticed this and seemed to spend a lot of time leaning over to put her cigarettes out, giving me an eyeful. The more we talked the more turned on I got, to the point where I told her I would really like to fuck her (I told you my inhibitions had flown off!).

She responded by saying that she had thought I would never ask and told me to come outside the marquee in five minutes. Off she went and I sat there with a hard-on that was so big I had to sit right up to the table to stop everyone seeing the bulge in my pants. I followed her outside and found her stood by the side of the marquee. She lifted up her skirt, revealed a most magnificent pair of buttocks, bent over and told me to hurry up and fuck her. I unzipped my fly and pulled out my throbbing cock.

She was so wet that my cock slipped straight up. I started thrusting into her, but after a few minutes we could hear people calling out her name. I hesitated, but she told me to carry on.

It was a real turn on knowing that there were people looking for her, and here I was fucking her just a few feet away. Twice someone put their head outside the marquee and called her name, but as it was dark they didn't see us. I felt her tense up and come all over my cock and that sent me over the edge, so just as someone called her name I shot my load inside her.

We quickly rearranged our clothing and she slipped back inside the marquee. After a brief recovery, I followed her and saw her dancing with the groom on the dance floor, no doubt with my come dribbling down the inside of her legs. She met my eye across the dance floor and winked saucily at me.

Well I suppose the best man is supposed to get off with the chief bridesmaid!

Gary, Bangor

Dear The Lounge,

I guess you usually only get blokes writing to you, but I love reading your magazine and I think you're so gorgeous, Michelle.

I thought you might like to hear about something that happened to me recently. I hope you enjoy reading it as much as I enjoyed doing it. My boyfriend threw a surprise party for my birthday the other week; champagne, a huge

spread, the whole works. I had a great evening and then towards the end, I saw him chatting to someone I didn't recognise. She was a very slim, attractive Oriental girl. Curious, I went over to find out who she was. Jeff's grin spread wide when he told me she was my birthday present. Excitedly, the three of us went upstairs so I could unwrap her. In the excitement I forgot we still had guests in the house, and only remembered when our friends, Kelly and Steve, came to see where we were, only to find the three of us in bed! I was so incredibly horny at the time, we all just ripped their clothes off and dragged them into bed. Luckily they didn't mind one bit, and we spent the night shagging. It was hard work making sure I didn't leave anyone out but I had to be a good hostess, didn't I? By the end I was completely exhausted and very messy. It has to have been one of the most incredible sex sessions I have ever had.

We all knew over here at Club Magazine that Tina liked cocks of the larger size, but even we were surprised when she turned up for her shoot with a dildo that quite frankly made every bloke in the room feel a bit inadequate! "I do like a nice thick piece of meat in between my legs, and if I can't get some, I'm more than happy to reach into my knicker drawer and find something to satisfy myself!" It's with regret that we couldn't print the photos of Tina swallowing the entire dildo in her pussy because they were might impressive, but you can log on to paulraymond.xxx and find them there.

Talkin' Blue

I've been working with a cleaning agency for the past couple of years. It started off as a temp thing but I got to like it, and it pays well so I don't reckon

As she stepped off the TGV, Madeleine looked up and down the platform nervously. The instructions had been meticulous on how to get to Argentan but vague as to whom was to meet her when she got there. It wasn't a large station but it was busy and not for the first time on her journey, she felt very lonely.

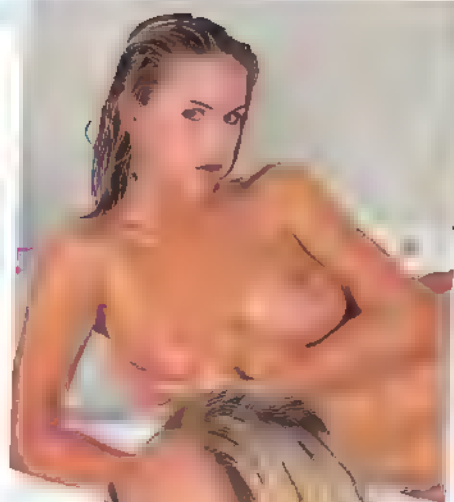

"May I take your bags please, mademoiselle?" asked a polite voice behind her. "And if you would follow me? Thank you," Madeleine surrendered her bags to a small man in a large overcoat. She barely caught sight of his face before he hurried off and she had to rush to keep up. She assumed that he knew who she was even if she hadn't the faintest clue about his identity.

'Perhaps it doesn't matter here,' she thought. 'Perhaps nothing matters much anymore.' This thought gave her the first real feeling of peace she had experienced in ages. She had arrived in a place where nobody knew her and nobody expected anything of her. She could be invisible here. Madeleine stopped worrying and allowed herself to be ushered on. She got into the car through the door that the strange little man was holding open for her and relaxed.

The man, whose name she learned was Serge, climbed onto a cushion on the front seat and manoeuvred the car through market

day traffic onto a quiet country lane. He had time now to examine her in his mirror. Her looks exceeded his expectations, 'Monsieur will be very pleased,' he thought happily. 'Her breasts are larger than those of French women and she has a slim elegant figure. Everything Monsieur could have hoped for.' Serge thought that all English women were either fat with bleached straw hair, or over fifty with sensible shoes. He couldn't understand why his boss had insisted on an English woman for the role. 'Mind you,' he mused, 'he would have found it very difficult to find a French woman!' Madeleine stuttered in schoolgirl French and asked how long the journey would be and

Serge replied, with impeccable English, that it would be another twenty minutes. She sat back and enjoyed the strangeness, the difference in everything. She thought about the ad she had answered. It had seemed the perfect answer, a chance to get out of her life without burning any bridges and without needing ready cash. 'Temperamental French artist seeks muse, plaything, maid who can cook. Must be broadminded and have sense of per-

“She felt like a sex-craved teenager, desperately wanting cock yet helpless to do anything about it”

what it was that was holding her. She could feel the sea, soft and coarse, inching up her thighs with every wave, shuddering as a splash or virulent wave brushed her clit. It was as if her pussy was pulling the tide up the beach and into her cunt.

Her engorged, pulsating pussy seemed to suck the tide further and further until she could feel it lashing around her clit. She struggled to open her legs wider. She could feel it now, slick around her cunt lips, forming a moat around her desperate clit. She longed to feel it slapping against her clitoris, her body arched in anticipation and need and she shuddered when the tide broke over her frantic pussy.

Every nerve in her body relaxed with relief as her juices swirled out in eddies to meet and join the tide.

The sea imperiously washed over her body... Madeleine woke up disorientated and a little ashamed. She pulled her hand from her soaking pussy. What had happened? She had never before had such a dream. She had only managed to reach orgasm a few times in her life with her husband and had never touched

herself intimately. She lay there in the half-light, luxuriating in the feeling and realising she wanted more. Her hand crept between her legs, fumbling for her clit. It wasn't hard to find, as it was stiff and leapt to her touch. She was nervous at first, dimly stroking it, feeling the contours of her own cunt, a strange place on her own familiar body. She smelled herself on her fingers, exciting her senses. She writhed on the bed, her smooth nakedness rumpling and twisting the sheets. Her mind was a senseless rhythm that echoed the thrumming of her pussy. She felt her sodden hole and thrust two, then three fingers into her cunt. Her thumb rubbed her clit mercilessly as she pounded her fleshy, wet pussy. She felt as light as the feathers in her duvet, floating above her poor abused body. Then bliss, ecstasy and bottomless sleep enveloped her.

Serge woke her up that morning, which was more than a little disconcerting as she was naked beneath the sheets. Having placed the breakfast tray at her side, he opened the curtains and asked if she had slept well. Madeleine had woken up ruffled and horny, and para-noically wondered if he knew what

spective.

She couldn't resist. It was nothing like her if she was to be honest, it was more like the person she had always wanted to be. This was to be the start of her bohemian, let it all hang out and to hell with the consequences, new life. She wanted to banish the convent school educated, dominating father and husband, narrow, stockbroker belt, prim, horsey life forever.

The car had slowed when the tarmac had met bumpy gravel.

Suddenly, she caught sight of two towers high above the trees. Then there was a break in the trees and she saw it, her new home, one of the most splendid and gorgeous buildings that she had ever seen.

She was gazing open-mouthed when the car stopped and Serge hopped out of the front seat. When her door opened and a hand appeared, she was still in awe of the palatial setting. Her jaw couldn't drop any

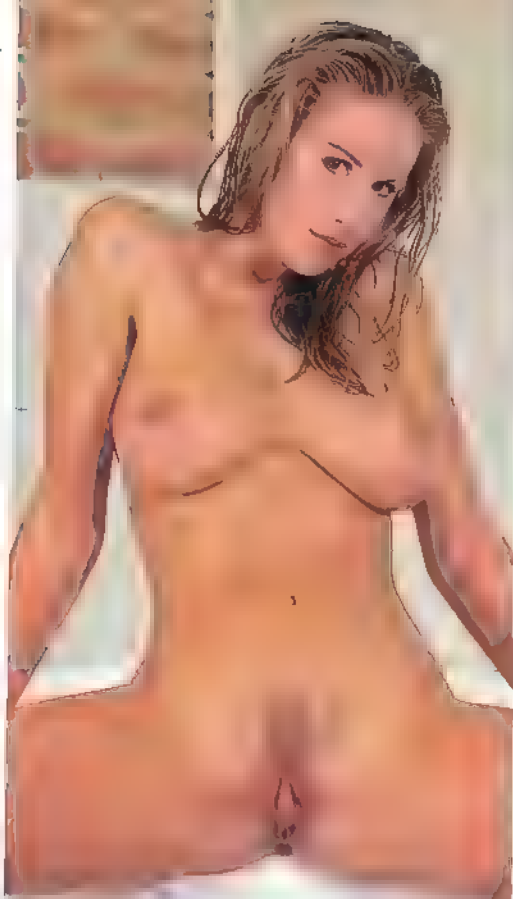

further when her eyes met the gaze of her new employer.

"Welcome to the Chateau l'Ay, mademoiselle. But now I have to go. I am wrapped up in my work and I cannot leave it for long. Take time to settle in. I have no demands for the moment, only that you leave me alone!"

With that, he let go of her hand and stalked off to the side of the chateau. She turned to Serge who was waiting impatiently "I will prepare a light meal for you and then take you to your rooms."

She was lying at the water's edge with her legs spread wide against the incoming tide. The sun was warm on her bare skin, her nipples, her stomach and her shaven mound. Sand moulded lazily around her buttocks and her long limbs. Her hair fanned around her head as the sea lapped gently around her thighs.

She was held there but she couldn't sense

had happened.

"I'm glad Mademoiselle," Serge said in answer to her muffled affirmative. "Most people succumb to the healthy air at Chateau l'Ay."

Madeleine gave a weak smile.

She was still thinking about her night of lonely passion, sunbathing on the poolside, when her new boss emerged from the pool house in his bathing trunks. She struggled to sit up on her lounge. She felt she should be doing something; she felt somehow naughty just laying there.

"No, you stay there. I just need a quick swim to clear my head," he said dismissively, with a flick of his hand. He was older, about twenty years older than her. He had a fantastic body though. She couldn't help but watch him, muscled arms pulling a powerful body slickly through the water. She shifted her position. Sweat beaded between her breasts and there was a heat warming her cheeks and her pussy.

"What on earth is the matter with me?" she thought. She felt like a sex-crazed teenager, desperately wanting cock yet helpless to do anything about it.

He was walking away as she quelled feelings of disappointment and concentrated on calming herself.

"You look well, mademoiselle," his voice was in her ear. "Chateau l'Ay has been working its magic on you I see."

Her body arched involuntarily at the sound of his voice and she heard a low chuckle.

"Let's see now, are you ready to be my muse, I wonder?"

With that, his arms came from behind and

“She stroked and rubbed it, pulled back the hood and watched a drip fall from it’s tip. Madeline had to taste it!”

stood immobile, watching her examine his prick. She stroked and rubbed it, pulled back the hood and watched a drip fall from its tip. Madeline had to taste it.

She needed to cosset it in her mouth. She wanted to please it and make it ready for her aching pussy.

She would have done anything for this magnificent cock. She felt as if she could worship it for the rest of her life and never get tired of its contours. She was tonguing it deeply, French kissing this French dick, when she was surprised by a moan. She had forgotten about the man it was attached to and lost her rhythm. He bent to pick her up and carried her over to the pool where he continued to explore her cheeky pink hole, offered up for inspection.

She watched his cock transfixed and managed a husky please. He smiled and turned her over. Her whole pussy felt like a hungry mouth, panting in expectation. He took his time, trailing his glistening dick over her buttocks, leaving a glistening track to sizzle in the sun.

He hesitated over the puckered skin of her anus, even moistening it with a little of her cunt juice. She froze, half in fear, half in excitement. ‘Ah’ he thought, ‘so she hasn’t, has she?’

‘We are going to have fun,’ and he continued his journey down and rubbed his cock thought-fully on her clit before plunging it in to the hilt.

She was deliciously eager and accommodating, her cunt gobbled his cock and he lost his control almost immediately. He reached around to rub her clit, only to find her hand already there. He bit one of her beautiful buttocks as punishment but it only increased her passion. He felt controlled by her insatiability and he disappeared among the waves of lust between them. He heard moans and screams.

Was it him or was it her? They were one tearing, gnashing animal, speeding towards obliv-ion.

They found themselves floating in the pool, clutching each other.

‘Chateau l’Ay has chosen its muse,’ he mused as he stroked her hair. ‘I just hope I’ll get around to actually painting her this time!’

flicked down her bikini top. She lay there, vulnerable and exposed to his critical gaze. Her breasts were naked and thrust towards him and her bikini bottoms were slowly dampening as he looked at her, ‘like something to eat,’ she thought. His hand cupped one breast and felt her nipple and the puckered skin around it, testing the quality of the produce. He suddenly drew his palm down her body and under the flimsy material of her bikini and plunged a finger into her cunt. Pulling his hand from her pussy, he sucked his finger.

“I didn’t expect you to be so ripe so quickly,” he said. He stepped around her sun lounger and she took her chance. She flicked off his tight Speedos and looked in wonder at his bur-geoning cock.

Madeline tentatively proffered a finger to stroke it, watching it ripple to her touch. He

What could be hotter than two large-breasted experienced women rolling around naked on a bed doing all sorts of unthinkable things to each other, well we suppose three hot women would top that! The women in question of course are Emily Addison and Anissa Kate, neither of whom are new faces in a Paul Raymond Magazine. I don't know about you lot, but my first reaction, upon opening and reading a Greetings card, tends not to be slipping off my undies and playing with myself (although thinking about it, it is my first reaction to quite a few other things!) – perhaps I've been getting the wrong sort of cards all this time, with dull messages about season's greetings and the like... Hand Solo: A DP XXX

Digital Playground

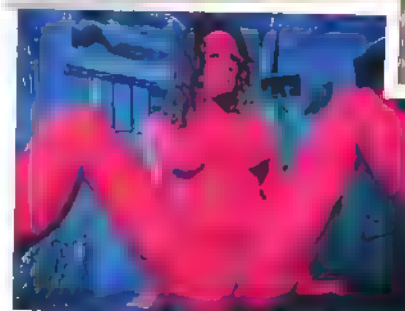

Starring: Robby Echo, Valentina Nappi, Isiah Maxwell, Danny D, Athena Palomino and Carly Rae Summers

Synopsis: "When a smuggler ship explodes around a nearby planet, every

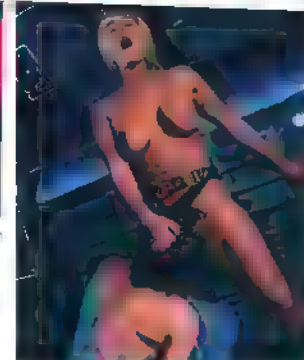

smuggler in the galaxy wants a piece of the prize! Hand Solo, joined by his trusty crew of misfits, takes a perilous journey through space with the ultimate goal of becoming the most revered smuggler in the galaxy (and every inviting pussy that comes with it)!"

Verdict: Rather like the non-porno-parody Han Solo flick that limped onto the big screens to little fanfare, this offering from Digital Playground seems a little bit half-baked. Apart from anything, it's only got a cast of three sploshers, which is a bit on the thin side even if one of them's the

tremendous Valentina Nappi.

Not in any way taking its cue from the original, this opens in some sort of transgalactic tittybar, where Valentina helps 'Hand' snaffle a spaceship with the roll of a dice, at the price of a bunk-up with Isiah Maxwell. It's all a bit of a swindle, but he can't be too upset to be diddled out of his spaceship by such underhand

methods - especially when he's spashing off over Valentina's face! Once they've nabbed the ship they find Athena onboard and, well, it's time for Hand to get some action, with some nice reverse

cowgirl thrown in along the way. There are four scenes in total, but they're a bit on the underlit side... and there's no nookie for the Wookie!

Silicone Valley: Nerd Sex!

Private

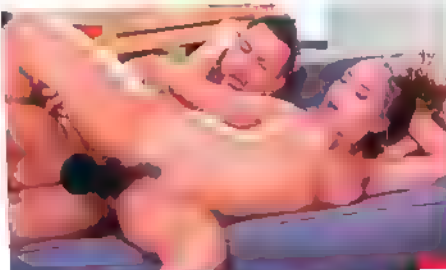

Starring: Elle Rose, Baby Nicols, Daniella Margot, Briana Banderas, Nelly Kent

Synopsis: "Gorgeous geeks let their inner-wild side out in Private's fuck fuelled tech fest, Silicon

Valley, Nerd Sex! The hot Elle Rose gets things started with a hardcore session with Luke Hotrod and her skills are matched by the vicious Latina Baby Nicols; this slutty gamer shoes how she handles big joy-sticks. The fun doesn't stop there, these girls are joined by cock sucking experts Mary Rock, Brianna Banderas, Nelly Kent & debutant Daniella Margot who gets broken in with some hardcore anal!"

Courtesy of Private.

Verdict: Once upon a time, of course, the

only Silicon Valley you'd find in a bongo flick was the one between the starlet's fake knockers, but since nerds are all the rage

these days thanks to shows like The Big Bang Theory that's all changed. And while we're on the sub-ject of big bangs, there are certainly quite a few of them going on in this feature. Cute Elle Rose is first up to the plate, looking around a fancy pad with her fella (Mackem Luke Hotrod). Delighted she can get a Wi-fi signal there, the pair celebrate with a no-nonsense porking on

the kitchen table, with a good bit of oral to start before Luke plunders her fore and aft. There's another English stud in action next, taking on Latina Baby Nichols after a bit of gaming fun, which they both quickly realise isn't quite as much fun as shagging. Very stroke-worthy stuff.

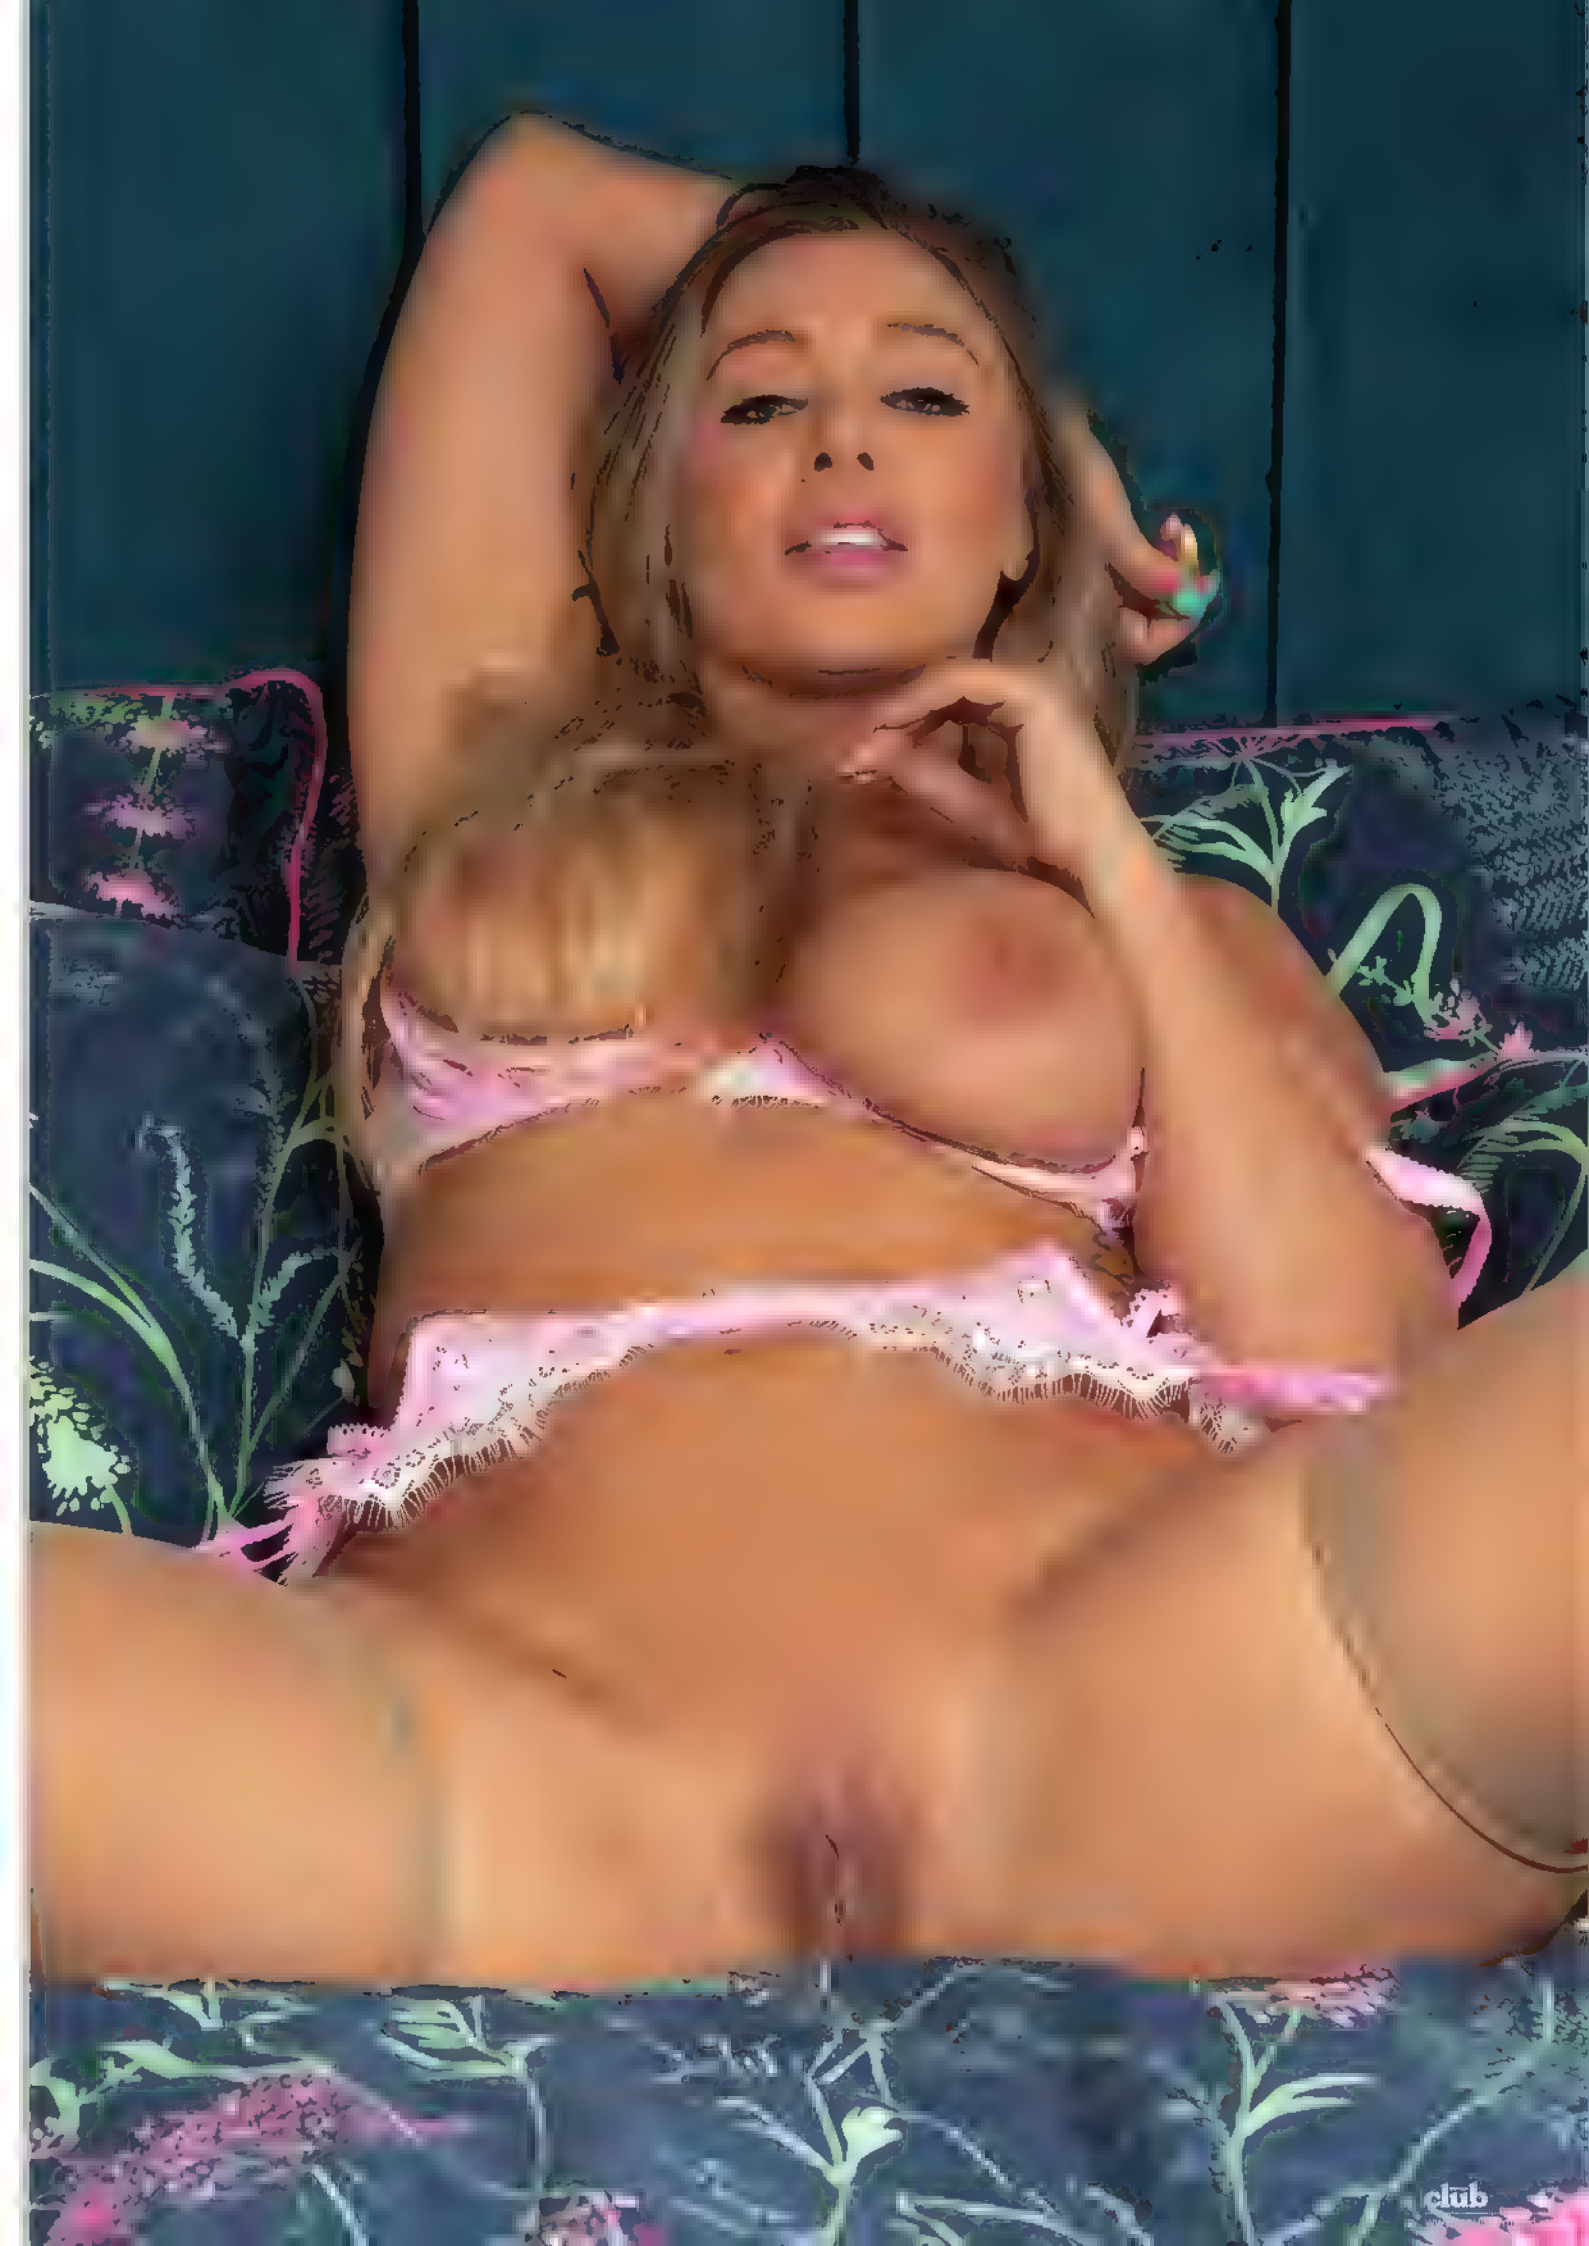

Aussie Aussie Aussie, Oi Oi Oi! Like most girls from Down Under Beth Bennett knows how to handle balls! That's cricket terminology if you hadn't figured it out! "You Brits are so obsessed with cricket, you've beaten us once or twice, get over it. But you're right, I do love handling balls, and sucking on them too. Not big dangling ones though, I like them to be nice and tight, only old men have saggy balls! But that's enough about that, I'd much rather have a tough rugby guy getting into a sweaty ruck with me. I'd grab his balls and take them for a home run!" That's a completely different sport Beth!

We love the pink underwear you're sporting Miss Green, but we'd like to see a bit more pink from you if you know what we mean! "Ha, I'm guessing that you're being rude and suggesting that you'd like me to spread my legs a bit wider and part my pussy lips for you!" You're a very clever girl, that's exactly

the kind of pink we were getting at! "Well, believe it or not, I'm quite a shy and reserved girl so this is as much as you're going to be feasting your eyes on! Besides, I like the idea that I'm leaving a little bit of something to your readers' imagination! But never say never!" We'll take that as a 'maybe' then? "Take it as 'unlikely!'"

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

I had one of the best sexual experiences I've ever had when I went on holiday to Spain last summer. I'd just split up with my boyfriend and decided to drown my sorrows by getting pissed in the sun with a bunch of girlfriends and, hopefully, see some shagging action too. I wasn't disappointed.

Within half an hour of checking in at the hotel I was down at the pool bar sipping a cocktail and looking out for any fit blokes that might wander by. All my friends had gone off to sunbathe down at the beach, but I figured I would find everything I needed here. And I was right. Suddenly I heard a voice behind me say, "Now what's a gorgeous looking babe like you doing all alone at a bar?"

"How do you know I'm alone?" I replied, turning to check him out.

"Oh," he said. "I just thought..."

"Forget it," I told him, with a smile. "You thought right and the answer to your question is... looking to spend time with someone just like you."

He grinned, called the barman over and said, "Same again for the goddess and I'll have a beer." What a cheese bag this bloke was! But I didn't really care, he was good looking and I really needed a shag.

He told me his name was Rob, and after some small talk and several drinks I decided to take the bull by the horns and said, "Rob, do you fancy a fuck or what?"

The booze had well and truly done for my inhibitions. Not that I usually have many when it comes to sex, as you might have noticed!

Rob simply smiled and replied, "Your place or mine?"

"That depends on whether or not you have your own room."

"Mine it is then," he said, and I could see from the bulge in his shorts that he was packing seven inches at the very least.

Back in his hotel room it took us all of 30 seconds to get out of our gear and down to business. Again I took the lead, pushing him down into a sitting position on the edge of his bed then dropping to my knees so I could start playing with his prick.

First I grabbed his knob at the base with one hand while I cupped his balls in the other. I gave his sac a little squeeze and my action had the effect I knew it would have. Rob moaned.

I pulled back his foreskin and lowered my head until I could touch the tip of his exposed helmet with my outstretched tongue. Then

I licked around his bell-end, occasionally dipping my tongue just inside the hole, something that in my experience is guaranteed to get a guy right on the edge. After a few minutes I withdrew my tongue, opened my mouth as wide as possible, then lowered it over his cock, careful not to actually touch it with the inside of my mouth. When I had what I guessed was about half of his dick inside, I clamped my mouth on it hard and sucked in my cheeks.

His cock twitched and I thought he might shoot his load right there and then, but there was no way I was having him do that before I'd cum, so I pulled my head off his dick and said, "Hey, not just yet!"

I pushed him backwards on the bed and knelt with my legs either side of his head.

"In no time at all my ring-piece started contracting uncontrollably on his cock"

"Eat me!" I ordered, and before I'd given him a chance to answer I'd lowered my pussy onto his mouth and was rubbing it backwards and forwards. My juices oozed as Rob stuck out his tongue and let it follow my motions. Then he grabbed me by the thighs to hold me still, raised me slightly and went to town on my clit. It felt fantastic and in no time at all I began getting the tell tale rumblings of an orgasm. It was too soon. So I pushed Rob's hands away and rolled him off me.

"What the...?" he said, in utter disbelief.

"Trust me, Darling, there's a method in my madness." I lay on my back and said,

"Fuck me! Fuck me - now!" Rob didn't need asking twice. He slid his cock balls-deep

inside my juiced up fanny then grabbed me by the ankles and started pounding my pussy harder and faster than it had ever been pounded before. The ferocity of his fucking drove me wild and I could feel a stream of my juice seeping down towards my arse-hole.

So I cried out: "Fuck me in the bum!" The combination of cocktails and pure lust had turned me into a cock-crazed whore!

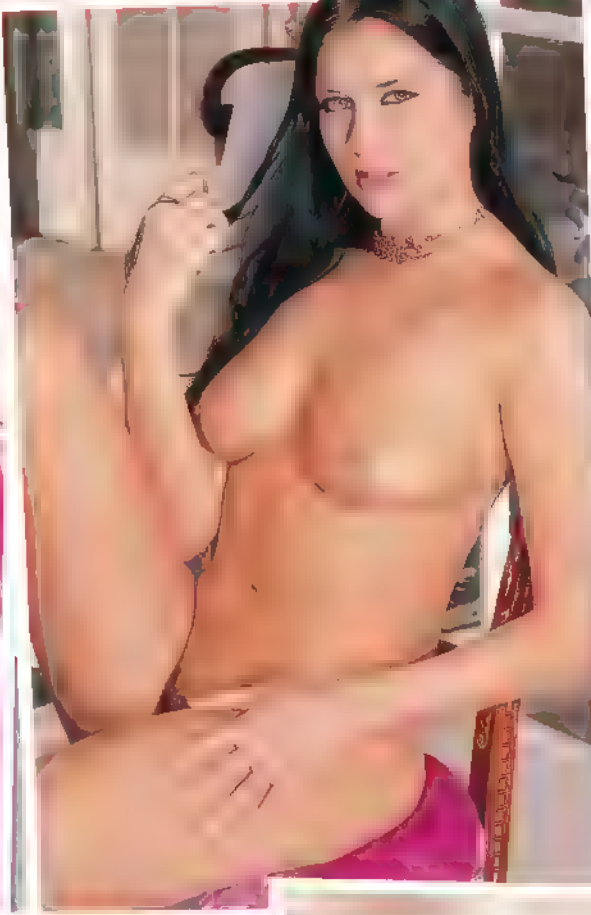

Rob pulled out, threw me onto my front and lifted my up on all fours.

"I'm going to fuck you hard, you bitch!" he said, grabbing me by the arse cheeks and giving my bumhole a couple of teasing pokes. I let out a dissatisfied moan and said, "Listen, fuck me properly or fuck off!"

Not surprisingly he went for the first option and slid his boner inside quickly.

Then Rob immediately set to proving that he was a man of his word and rode me so hard I had to stop myself from screaming by biting into a pillow. In no time at all my ring-piece started contracting uncontrollably on his cock.

Seconds later I was engulfed in an earthshattering orgasm - at the very instant that Rob splattered the insides of my arse with jizz. It was my best orgasm ever, but it didn't stop me trying to have a better one for the rest of the holiday and ever since. I'll

let you know when I finally top it!
Karen, Clapham

I'm the manager of a big supermarket, which is a position that allows for plenty of friendly flirting with my female staff. The single ones amongst them are the ones I generally go for, although there was this one married bird, but that's another story.

Anyway, from the moment this blonde named Carol started working with us she made it pretty clear she was a bit of a slapper. So much so, that she shagged three of the shelf-stackers during her first week. While her encounters all happened after work, the one I had with her didn't.

The morning it had happened I'd been out on the floor keeping an eye on things when I noticed Carol in the fruit and veg section. She was chatting with a bloke who was loading ba-nanas onto the shelves. When I showed up he nodded and

shot off in a flash. "I bet there's not a banana here that's as big as your dick, is there boss?" she said.

"Wouldn't you like to know?" I replied.

"That sounds to me like an offer – is it?" she asked.

I grinned and said, "Well, it's your coffee break shortly, so come up and see me in my of-ice."

Carol answered by simply grabbing my cock through my trousers. I got an instant hard-on. "Mmmm..." she sighed, "I can't wait to get my lips around that."

Fifteen minutes later that's exactly what she was doing. I was leant against my desk with my trousers around my ankles and Carol bobbing on my cock. While I knew it had to be a quickie, I didn't want to shoot my load down her throat. No, I wanted my custard splattering the insides of her cunt. I wanted her to spend the rest of her shift with my spunk slowly dribbling out of her slit and making her gusset all soggy. So I said, "Hold up a minute, love."

Carol looked up at me bemused, my swollen dick still wedged down her throat.

"I want to fuck you bent over my desk," I told her.

So she slid my knob from her mouth, pulled off her panties and assumed the position – on her back with her long, long legs bent at the knees and

spread wide.

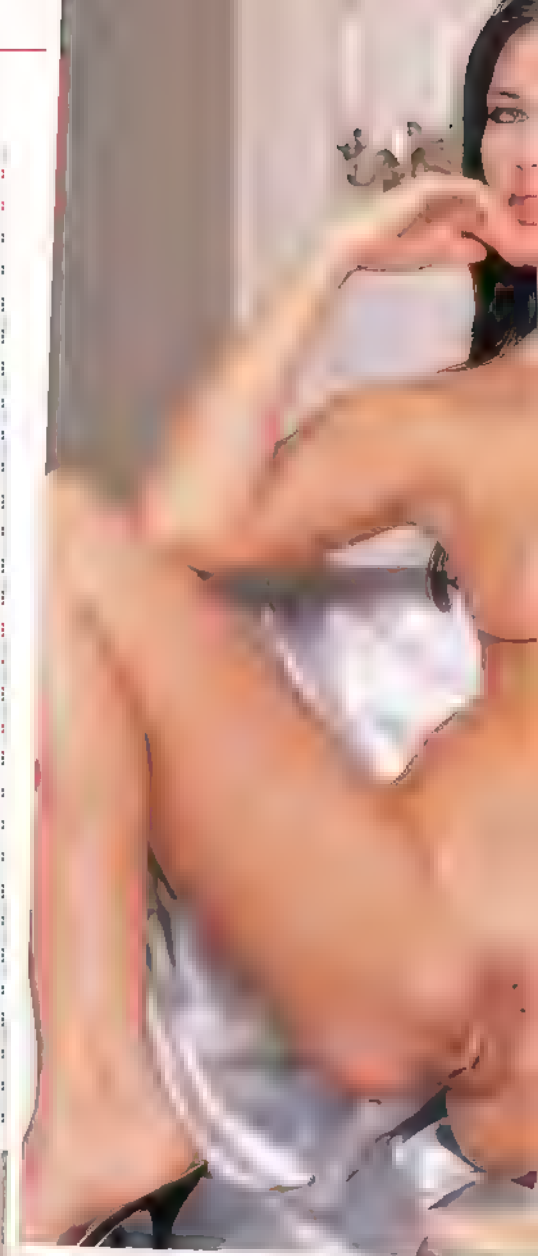

Her cunt was shaved smooth and her slit glistened with juice. As much as I wanted to bang her rotten right there and then I couldn't resist finding out if her fanny tasted as sweet as it looked. I leant forward and pulled her legs up either side of my head and over my shoulders until my mouth was pressed up against her flaps and my tongue buried deep inside her hole.

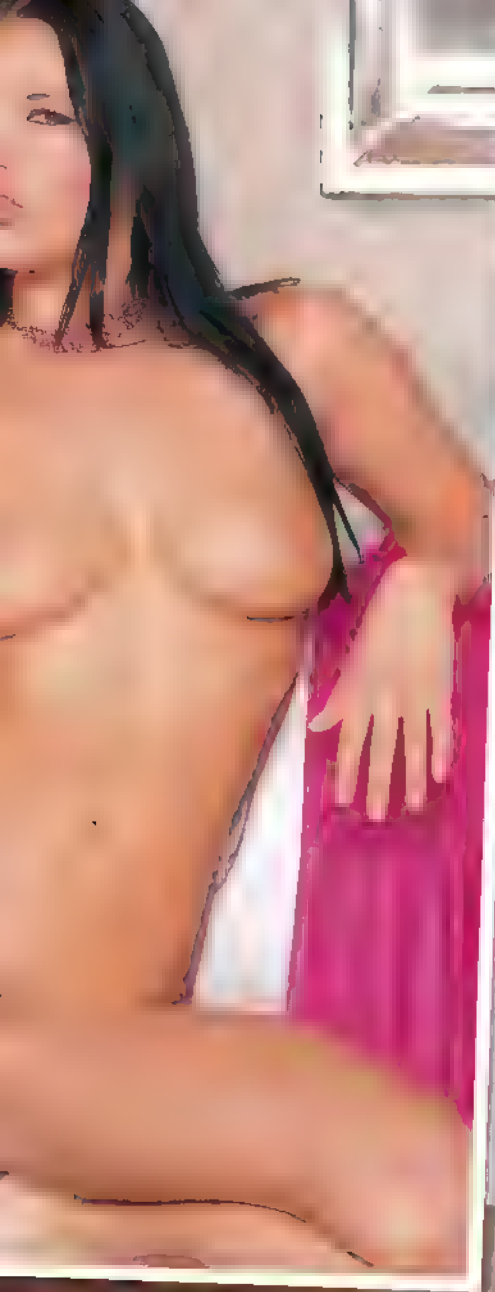

It was even tastier than I imagined. Carol

I flipped her onto her front and jabbed my knob back inside her cunt and started slowly shagging her"

groaned as I lapped away at her slit then grabbed me by the back of the head and forced me deeper.

As much as I could have eaten her twat till the cows came home, my cock was twitching so wildly I knew I had to bury it up to my nuts – so I did. I pulled my face away from Carol's fanny, and with juice dribbling down my chin slid her to the very edge of the desk. Then I parted her flaps with my fingers and guided my dick deep inside her. She was so

wet her cunt made a loud squelching noise as I did so. "Oh yes!" I said, as the warmth of her pussy engulfed my fit to burst schlong. She replied with a, "I was right, you are much bigger than any of them bananas."

I chuckled, pulled my dick almost out of her slit, then slammed it back inside as hard as I could. Carol gasped and wrapped her legs around my back. I threw them off and started to pummel her pussy relentlessly.

Her gasps turned to loud groans and from the way her legs were thrashing about I figured she was about to cum. I was right. Moments later she clasped her legs around me so tightly I couldn't move, and orgasmed wildly. I wasn't ready to cum just then, so once she had calmed down I pulled my cock out and flipped Carol over onto her front, positioning her so that she was standing but bent forwards on the desk. Then I jabbed my knob back inside her cunt and started slowly shagging her.

I started slowly because I had something up my sleeve – actually it was in my drawer – that would make us both come harder than we had ever done in our lives.

As my cock slipped in and out of her wetness, I quietly opened the desk drawer. Inside was a banana that was actually bigger than my dick, a rubber and a tube of lube. I sped up my strokes so as to preoccupy Carol and distract her away from what I was doing. Then I took the rubber from its foil, slid it on the banana and

coated it with a decent helping of lube. Then I stopped fucking Carol. "What's up, lover?" she asked.

"This is what's up," I said, and rammed the rubber-coated banana up her arse.

She yelped and trembled as I started slowly pushing the banana in and out of her dirtbox,

"Then I parted her flaps with my fingers and guided my dick deep inside her soaking wet cunt"

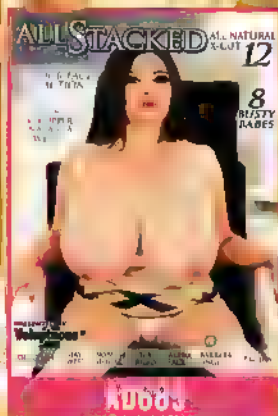

my cock still wedged to the max in her cunt. Filling her bum full of fruit made her pussy tighter on my meat, which was exactly the effect I was aiming for. "Ready?" I asked.

"As I'll ever be," Carol replied.

Then I let rip. I pounded her pussy with my cock, matching every stroke with a fruity one to her arse. She bucked wildly beneath me and in less than 60 seconds she came for the second time and I shot my spunk into her hole with such intensity I swear I almost blacked out.

Judith 

PHOTOS: LOBO PRESS

When my old man once sat me down on his knee and uttered those immortal words of wisdom

"Listen son, life's not fair," I took heed. I thought he was just saying it because he felt guilty that he hadn't got me the Action Man I had so desperately wanted that Christmas. In all fairness I was 19 at the time and could have gone out and bought the bloody thing for myself, but it was the principle of the matter. Now I'm older, wiser and fatter (too right! - Ed.) I realise he was actually preparing me for a more recent day in my life. The day when I would eventually come to terms with the fact that there just aren't enough gorgeous young porn models like Club regular Judith to go round for the likes of me.

It's true. Take a walk down your average street in Britain and how many girls do you see on par with this beauty?

Not only that, but even if there were a few more that looked as aesthetically pleasing as Judith in terms of face and body, how many of them would be as willing to jump in front of a camera lens and bare all? And then, out of that remaining few, what percentage would have absolutely no qualms about telling a total stranger how they love to be fucked deep in the arse while sucking on another fella's big juicy prick? If your calculations have gone anything like mine then the answer should be somewhere in the region of not many. Or, if you really are that unlucky - a big empty zilch. Confirmation - if ever it was needed - that girls like Judith really are that hard to come by. So let's all join together and show our deepest gratification for her liberal mind, luscious looks and subsequent uniqueness by cracking one out over the following pages..

Well Scarlett, we hear from a reliable source that you're quite a horny girl! And that same source told us that when you cum, you cum like thunder! So, what's the trick in making you cum so hard? "Simple, just push a nice big cock into my pussy and then fuck me slowly for ages, while kissing and sucking my nipples. That's guaranteed to make me cum over and over again. I'm lucky because I can have multiple orgasms, which scares some of the fellas I've been with." Why on earth do they get scared? "Because my whole body starts shaking and I start yelling out really loudly, I'm a bit of a screamer! I remember one guy I slept with. I was bouncing up and down on his dick, and it kind of came over me in a rush. The poor guy thought I was having a heart attack!" Where do we sign up to give that a try?

HOLY PIZZA

There have been many world record attempts associated with creating giant versions of our favourite foods, but nothing is quite as remarkable as the world's largest pizza! Created in Italy on December 13, 2012, the

A GASSY AFFAIR

world's largest pizza measured an incredible 13,580.28 ft² and they had to use cranes to spread the sauce and sprinkle the toppings. The goliath of a pizza was named "Octavia" as an homage to the first Roman Emperor, Octavian Augustus. The pizza was made at Fiera Roma, in Rome, Italy, by a team of chefs. The pizza was entirely gluten-free.

Burping is a natural human action, and it is sometimes considered a sign of a good meal. On June 16, 2009, Elisa Cagnoni produced the world's loudest female burp, with a total of 107.0 dB. That is similar to hearing a jackhammer from a distance of 3 ft 3 in (1 meter). Every year in Reggio Emilia, Italy, there is an event at the Hardrock Beer festival called "Ruttosound." The event hosts a burping competition to raise money for charity.

Bathtubs are designed to relax and soak after a hard day's work, but they can be used for much more. Swiss engineer Hannes Roth decided he wanted to turn a bathtub into a racing car. Being a racing driver himself, he knew what it would take, so he spent 300 hours modifying a bathtub for a world record attempt. Roth fixed a bathtub to a go-kart chassis and attached a four-cylinder Yamaha engine as well as essential bathtub extras like a showerhead. After many test runs, Roth took the motorized tub to Dynamic

Test Center in Vauffelin, Switzerland, for the world record attempt. On May 6, 2016, the bathtub reached an average speed of 116.08 mph (186.82 km/h) with the highest speed of 118 mph (189.9 km/h).

HIGH IN THE SKY

Freddy Nock holds the Guinness World Record for his daredevil skills. On January 29, 2011, Nock walked 1,876 ft (572 meters) along a cable car wire at Silvaplana ski resort, St. Moritz, Switzerland. The cable car reaches 10,836 ft (3,303 meters) above sea level. He initially set out to beat his previous record of longest cable car walk, but he had to stop due to terrible weather conditions, meaning he broke only the height record. The weather was so bad that the average temperature was -15 °C.

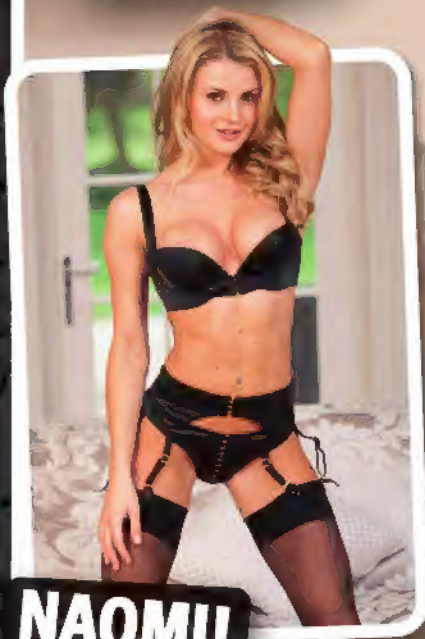

CAN-NOT BELIEVE IT!

The animal world has some incredibly talented creatures and some that we can even train. One of these celebrity animals is Zac the Macaw. Zac managed to break a Guinness World Record by opening 35 canned drinks in one minute. The record was broken in San Jose, California, USA, on January 12, 2012.
